# Stainless Steel Grabrail Catalogue

**Modular Stainless Steel Tubes ..... 2**

**Modular Components: Endsets ..... 3**

- GRO1 (Standard Endset Pair)..... 3
- GRO1SL1 (Slimline Endset Pair - single fixing) ... 3
- GRO1SL2 (Slimline Endset Pair - two fixings)..... 3
- GROC (Cutoff Base - Single)..... 3

**Modular Components:**

**Connectors ..... 4**

- GRO2 ('T' Piece)..... 4
- GRO2/40LH (40° Bend)..... 4
- GRO2/40RH (40° Bend)..... 4
- GRO2/90LH (90° Bend)..... 4
- GRO2/90RH (90° Bend)..... 4
- GRO2/90LHST (90° Bend)..... 5
- GRO2/90RHST (90° Bend)..... 5
- GROCDLH (Internal Corner Connector)..... 5
- GROCDRH (Internal Corner Connector)..... 5
- GROCDIC (Internal Corner Universal)..... 5
- ATC (Adjustable Connector)..... 5
- E40 (40° Bend)..... 6
- E90 (90° Bend)..... 6
- GRO3W (3-Way Connector)..... 6
- PE-BK (Black Plug End)..... 6

**Modular Components:**

**Brackets ..... 7**

- WBL (Large Wall Bracket)..... 7
- WBLR (Large Wall Bracket)..... 7
- LER (Large End Ring)..... 7

**Fixed Length Stainless**

**Steel Grabrails ..... 7**

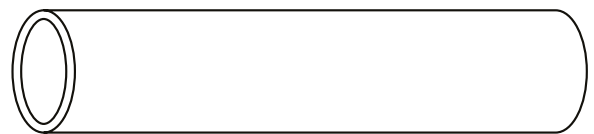

## Modular Stainless Steel

**Specifications:**

- 32mm diameter
- 304 grade stainless steel
- Complies with AS1428
- Can be cut using 1mm cutting disk
- Satin finish
- WBL to be installed between 1.5m and 2m

**Stainless Steel Tubes**

<b>GR02000</b>	2000mm
<b>GR01000</b>	1000mm

# Modular Components: Endsets

## GR01 (Standard Endset Pair)

Standard endset for flat wall.

## GR01SL1 (Slimline Endset Pair)

Slimline endset for architrave. Single fixing.

## GR01SL2 (Slimline Endset Pair)

Slimline endset for architrave, two fixings.

## GROC (Cut Off Base - Single)

Cut off base for corner.

# Modular Components: Connectors

## GR02 ('T' Piece)

Two-way T-piece connector.

## GR02/40LH (40° Bend)

Two-way 40° left hand connector.

## GR02/40RH (40° Bend)

Two-way 40° right hand connector.

## GR02/90LH (90° Bend)

Two-way 90° left hand connector.

## GR02/90RH (90° Bend)

Two-way 90° right hand connector.

# Modular Components: Connectors

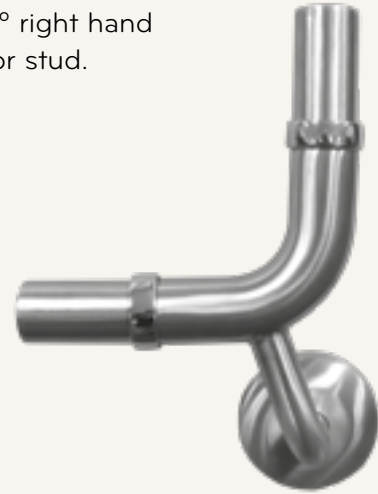

## GRO2/90LHST (90° Bend)

Two-way 90° left hand connector for stud.

## GRO2/90RHST (90° Bend)

Two-way 90° right hand connector for stud.

## GROCDLH (Internal Corner Connector)

Two-way internal corner, left hand fitting.

## GROCDRH (Internal Corner Connector)

Two-way internal corner, right hand fitting.

## GROCDIC (Internal Corner Universal)

Two-way internal corner, universal fitting.

## ATC (Adjustable Connector)

Adjustable tube connector enables angle of rails to suit the environment and application Supported by WBL or WBLR.

# Modular Components: Connectors

## E40 (40° Bend)

40° bend - supported by WBL or WBLR

## E90 (90° Bend)

90° bend, can be used for external corner - supported by WBL or WBLR.

## GRO3W (3-Way Connector)

3-way fitting - supported by WBL or WBLR.

## PE-BK (Black Plug End)

# Modular Components: Brackets

## WBL (Large Wall Bracket)

Underslung rail support, open style.

## WBLR (Large Wall Bracket)

Underslung rail support, sliding style.

## LER (Large End Ring)

Large end ring to finish rail at 90 to surface.

Also available:

## Fixed Length Stainless Steel Grabrails

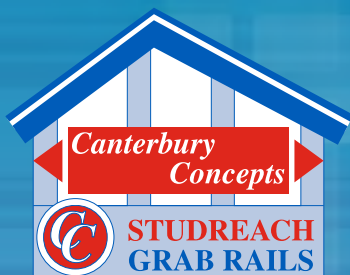

Specifications:

- 32mm diameter
- 304 grade stainless steel
- Satin finish
- Fixings included

### Fixed length Stainless Steel Grabrails

GR01200	1200mm
GR0900	900mm
GR0750	750mm
GR0600	600mm
GR0450	450mm
GR0300	300mm
